SUBJECT: Continuation of Suspension of the Guaranteed  
Emergency (EM) Loan Authority

TO: All State Directors, Farmer Programs Chiefs,  
District Directors, County Supervisors, and  
Director, Finance Office

Based on inquiries we have had in the National Office, some field  
offices evidently are not sure of the status of our emergency (EM) loan  
guarantee authority.

The authority to administer a guaranteed EM loan program continues to  
be suspended until such time as you are notified of its reinstatement.
